

Welcome to Sheppard Point Lake Heyburn US Army Corps Of Engineers Equestrian Trails and Campground

When Is Riding is Permitted? Riding in the ~300 Acre Park is permitted year round. All trails **west** of the Bowtie on the Yellow Trail and **north** of the Red Trail (Blue Trail) are in Wildlife Management Areas (WMAs). **Horses are not permitted in the WMAs during hunting seasons: Oct. 1 – Jan. 15 & April 6 – May 6.**

Negative Coggins Certificate is required by law, -- present this to the Park Ranger or other Park Personnel when requested. **Ride at your own risk.**

Day Rider Parking / Trail Head – entrance is located just outside the Park Entrance, North of the Guard Shack.

Overflow Parking – Use only when Day Rider Parking Area is full.

No horses are allowed near Restrooms, Pavilions or on the Roadways except at designated crossings outside the park. Trails are located just inside the tree line on each side of the road for your convenience. ** Boggy areas can be deceiving. Please stay on trails at all times for your safety. **

Leave no trace. All riders must distribute manure in the tree line at this time. Please clean up after your horse and take all hay and trash with you when you leave. **

Equestrian Camp Site #s 131-137 are the only designated sites for horses at this time. Picket poles are provided. **No Horses are permitted South and/or West of the Equestrian Camp sites.** ** ***

Trail Access at Equestrian Camp Sites is conveniently located down by the water line behind the picket poles. Always enter and exit trails here when camping. **Do not ride on or along the roadway.**

EMERGENCY VETS IN THE AREA:

Drs. White, Jones & Grady	Sapulpa Equine Hospital	918-224-6867
Dr. Bill Mitchell	Bristow Veterinary Hospital	918-367-2257
Dr. Jerry Randall		918-367-5615
Dr. Craig Bullock		918-851-2291

We sincerely hope you enjoy your experience here. Volunteers and donations make all improvements possible. For more information about these trails and how you can help, please contact **Friends Of Heyburn**, a non-profit organization dedicated to improving the equestrian experience at Lake Heyburn.

Cris Van Horn	918-688-1898	Jack Arnold	918-605-2615
Mike and Ruth Harvey	918-247-4444	Margo Lyon	918-695-2332

** May be subject to fines (Title 36 Code of Federal Regulations (CFR) Part 327) by the Park Ranger.

*** Large groups may reserve the entire park for special occasions. A special event permit must be filed and approved with the Corps Of Engineers Heyburn Project Office (918-247-6601)
